## Welcoming all participants!

Introduction of new participants, if any

Adoption of the Nov 19, 2024 meeting minutes.

### ✓ Key issues from David's presentation

- Students' awareness of urgent care vs PCP (57% vs 14%)
- Students' awareness of SHS working hours ("SHS was closed")
- Exploring why ER/Urgent Care is preferred over SHS (44% believe their issues can only be resolved at the ER, 42% prefer urgent care, and 9% choose SHS)
- Reasons why only UCSHIP is accepted at the SHS and the way forward (44% of students don't use UC SHIP). Is it possible for an enrolled student not to have insurance

### ✓ Presentation on any changes to Chargemaster

### ✓ How can we best lower the renewal cost for the 2025/26?

- Suggestions:
  - Reduce benefit coverage (pros and cons)
    - Any legal implications?
  - Change SHIP AV from Platinum to Gold (pros and cons)
    - Would SHIP become less competitive compared with other insurance plans?
