Introduction of new participants, if any

Adoption of the Oct 29, 2024 meeting minutes.

✓ How can we best lower the renewal cost for the 2025/26?

○ Suggestions:

- Reduce benefit coverage (pros and cons)
 - Any legal implications?
- Change SHIP AV from Platinum to Gold (pros and cons)
 - Would SHIP become less competitive compared with other insurance plans?
- Have SHIP in Tiers (Bronze, Silver, Gold, Platinum)
 - This could be ideal, but Alliant has raised concerns about the logistics of managing it and the long-term effect on the plan.
- Reduce the premium for those who did not use the plan in the preceding year
- Mail every student on UC SHIP explaining the situation and seeking their support.

✓ Short presentation by David Du.
